

For the Student

Registering for the class:

- **First go to the class homepage. You might want to bookmark this page because this will be the starting point for taking all assignments.**
- **Click the Register for this class button and enter all the correct information.**
Make sure the information is correct so the instructor will be able to tell who you are and give you credit for your assignments.
- **It is a good idea to enter your e-mail address so that you can retrieve your password if you have lost it.**

Taking Assignments:

- **Just click on the assignment on the homepage to take it.**
- **Keep a close eye on the time limit in the upper right if the instructor set one.**
- **If you wish to stop working on an assignment and come back to it later, click the “Quit and Save” button.**
Next time you try to take the assignment it will give you an option to resume the old one you were working on.

Checking Grades of Past Assignments:

- **From the class homepage click on “View past results or change password” at the bottom of the student menu.**
- **Click the button next to the assignment and click view details at the top of the window to see results for each question in an assignment.**
