

Dinner and a Math Problem

FREMONT

.....

The Dinner and a Math Problem events will bring together math teachers (especially of grades 6-12) and mathematicians with the goal to discover and pass along to students the excitement and richness of problem solving in deep yet accessible mathematics topics.

WHEN: Thurs., Nov. 11

Dinner: 6:00 P.M.

Presentation: 6:30-7:30

“Conway’s Rational Tangles”

*Rational Tangles is an amazing hands-on application of fractions.
The activity can be understood and used by all ability groups.*

WHERE: ESU #2, 2320 N. Colorado, Fremont

RSVP: Linda Hayek (linda.hayek@me.com) by Nov. 1
