

# Dinner and a Math Problem

## NORFOLK

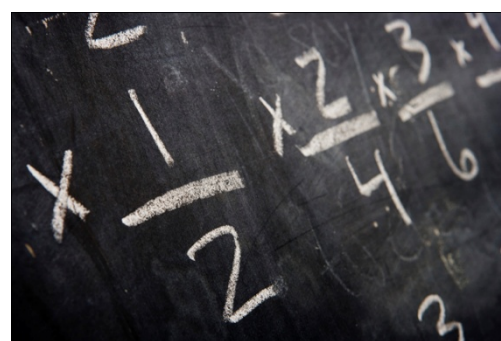

.....

*The Dinner and a Math Problem events will bring together math teachers (especially of grades 6-12) and mathematicians with the goal to discover and pass along to students the excitement and richness of problem solving in deep yet accessible mathematics topics.*

**WHEN: Wed., Oct. 20**

5:30 p.m. – 8 p.m.

Presenters: Lori Pierce  
and JaLena Slack

**TOPIC:**

**“Habits of Mind Problems”**

**WHERE:** Lifelong Learning Center  
801 E. Benjamin Ave, Norfolk

**RSVP:** JaLena Slack ([jslack@esu8.org](mailto:jslack@esu8.org)) by Oct. 12

.....

*Dinner to be catered by First Choice Food Service*

*Sponsored in part by the UNL Center for Science, Mathematics & Computer Education*
