The Dinner and a Math Problem events will bring together math teachers (especially of grades 6-12) and mathematicians with the goal to discover and pass along to students the excitement and richness of problem solving in deep yet accessible mathematics topics.

**WHEN:** Wed., Oct. 20
5:30 p.m. – 8 p.m.
Presenters: Lori Pierce and JaLena Slack

**TOPIC:**
“Habits of Mind Problems”

**WHERE:** Lifelong Learning Center
801 E. Benjamin Ave, Norfolk

**RSVP:** JaLena Slack (jslack@esu8.org) by Oct. 12
